These elections were conducted using the Single Transferable Vote System. The result sheets for the elections form the Appendix to this report. It details:

- the quota required for election
- each candidate's voting figures, and
- the stage at which the successful candidates were elected

Electoral Reform Services can confirm that, as far as is reasonably practicable, every person whose name appeared on the electoral roll supplied to us for the purpose of the ballot:

- a) was sent the details of the ballot and
- b) if they chose to participate in the ballot, had their vote fairly and accurately recorded

This election was conducted in accordance with the rules and constitutional arrangements as set out previously by the Trust, and ERS is satisfied that these were in accordance with accepted good electoral practice.

All voting material will be stored for twelve months.
