The Board believes that interests should be declared if they are material and relevant to the business of the Board and should, in any case, include:

- Directorship, including non-executive directorships held in private companies or private limited companies
- Ownership or part-ownership of private companies, businesses or consultancies likely, or possibly seeking to do business with the NHS.
- Majority or controlling shareholdings in organisations likely or possibly seeking to do business with the NHS.
- A position of authority in a charity or voluntary body in the field of health and social care.
- Any connection with a voluntary or other body contracting for services with NHS services.

NB If there is any doubt as to the relevance of an interest, this should be discussed with the Trust Chair.
